

Brand: Takeuchi

A close-up photograph of a vehicle's engine compartment. The image shows a complex arrangement of mechanical parts, including a large, curved, light-colored hose or duct in the upper center. To the left, a black fan or alternator is visible. Below it, a yellow plastic reservoir is partially seen. The engine block and various smaller hoses and belts are also visible, showing signs of wear and age. The overall scene is a detailed view of the engine's internal components.
