

A blue industrial machine, possibly a pump or motor, is shown from a front-facing perspective. A white label is placed in front of the machine, featuring the number '18477' in large black digits. Below the number, the text 'H. SERUP-OLESEN' is printed in a bold, sans-serif font. At the bottom of the label, there is a logo for 'ENTREPRENORMASKINER BRANDE' which includes a red and black circular emblem with a gear-like border and a small star icon. The machine itself has a blue painted metal body with some visible wear and a black rectangular component on top. The background is a plain, light-colored surface.
