

A grey metal hand pump is shown resting on a wooden pallet. The pump has a large, spoked handle and a corrugated hose attached to its side. A white tag with the number 23965 and a logo is attached to the handle. The logo features a red and blue design with the text "H. SERUP OLESEN" and "HÅNDPUMPEMASKINER BLANDT". The pump is positioned diagonally on the pallet, which is made of wooden slats. The background is a dark, textured surface, likely a floor or ground.

Udveksling: 4:1

Elektrisk/mekanisk Aksel: ø30mm
