

A collection of various automotive filters and fluids, including oil filters, air filters, and fluid containers, arranged on a white background. The items include several cylindrical air filters of different sizes, some with black tops and others with silver tops. There are also several oil filters, some with red labels and others with white labels. A large black oil filter is visible on the left. In the foreground, there are several fluid containers, including a large white jug labeled 'COMPLEX 40', a smaller white jug labeled 'LF69', and a black container labeled 'LF6900'. There are also several smaller bottles and containers, some with red labels and others with white labels. The overall arrangement is a dense cluster of automotive maintenance products.

Filter type: Luft & olie separator
